

Workshop with Stan Kurth

Intuitive Painting with Ink, Watercolor and Gouache on Paper

June 18-20, 2024, 9:30am-4pm with a 1 hour lunch break

Dennos Museum Center, Traverse City, MI

This workshop is designed to teach all levels of students to paint intuitively, without preconceived ideas or outcome. There will be no preliminary planning or drawing. Process will dictate direction as students use mark-making tools, watercolor and gouache to implement elements and principles of design. Instruction will start with random marks, then color using a mixture of ink, watercolor and

gouache to create a library of design elements to be used in conjunction with design principles to finish the work. There will be comments and evaluation of work in progress concerning relationships between elements and principles. It is possible finished work may be representational, but the goal is work which is compositionally pleasing and aligned with the artist's personal aesthetic.

Cost for the workshop is **\$375.00 for MWCS Members** and **\$425.00 for non-members**

A class supply list will be sent to you ahead of the class.

Registration Deadline: May 15, 2024 / For more information contact Tracy Lyons tracylyons@live.com
