

Michigan Water Color Society
2nd Signature Exhibition
April 19– May 18, 2024

MWCS is proud to share our 2nd Signature Exhibition at the Charlevoix Circle of Arts. Sixty-eight exceptional artists have qualified for Signature status by being juried into at least four annual exhibitions over the last ten to twelve years. The Signature status was introduced for the first time at the 73rd/74th (2021) Annual exhibition. Signature members who also completed a three-year term on the board received a Great Lakes Fellow designation to honor their volunteer service. We have nineteen Great Lakes Fellows exhibiting. The top 50 pieces will be curated for this exhibition.
